ARMATA

DI MARE

INVENTORS OF ITALIAN OUTDOOR CLOTHING

Armata di Mare's essence originated from the idea of representing the worldwide renowned charm, handsomeness, and character of the Italian Navy Army.

Discipline, honor, family, friendship, and loyalty are values shaped into the Armata concept, capsules, and brand, through its contemporary, sporty and urban staples... and yes, even its seasonal spin-offs!

Designed for comfort and conceived to be energetic and cool, the Armata look is created to answer nowadays fast pace and demanding lifestyle.

From morning workouts, to daily working hours, until end of day get-togethers, Armata beats with young men's energy and professionals' needs, layering essential garments with color-pop details and accessories.
